

Dear Parents

Learning is lifelong. However, now is the time your child most needs you to help them learn, grow and reach their full potential, and ICAS can help you do this.

The International Competitions and Assessments for Schools (ICAS) is an independent, quality skills-based assessment program which rewards and recognises achievement. ICAS gives you broad insights into your child's performance across English, Mathematics, Science, Digital Technologies, Spelling and Writing. ICAS (sometimes referred to as the UNSW assessments) has been developed by Educational Assessment Australia (EAA) since 1981.

When your child takes part in ICAS assessments, we can track their learning as they progress from year to year. It also helps us to focus our teaching more purposefully to ensure all students achieve their best.

Each student receives:

- an engaging and challenging full-colour test booklet
- an individual diagnostic report highlighting strengths and weaknesses and year to year progression
- login details to access their online results which can be analysed and downloaded
- a High Distinction, Distinction, Credit, Merit or Participation Certificate acknowledging their level of achievement
- the chance to receive an individually-engraved UNSW medal for the highest scoring student in each year level for each subject.

Help your young 'spelling bee' succeed

The early years set the stage for lifelong learning. From 2016, Year 2 students will be able to sit an ICAS Introductory Spelling paper. This paper will help your little 'spelling bee' succeed by measuring their spelling ability and, importantly, identifying very early in their schooling where your child may need some extra help.

This paper is the only Spelling paper available in advance of Year 3 NAPLAN testing.

The decision to introduce a Year 2 Spelling paper is based on 30 years' experience in school assessments, which have allowed EAA to identify some common difficulties that children face in Year 3. This paper will help every child get the best start.

You can learn more about common spelling problems faced by Year 3 students and the new ICAS Year 2 Spelling Paper at: www.eaa.unsw.edu.au/icas/spelling-introductory-paper
