Please return the form indicating your preferred time to help to your child’s teacher ASAP. As well as the BBQ, we also now have the opportunity to sell small containers of fresh fruit at the festival. If you could spare an hour or two on Saturday 24th to help cut up the fruit could you also please see Shaun ASAP?

LIFE EDUCATION VAN
Last week, the Scotsburn students took part in activities facilitated by the Life Education Van. The Gr P/1’s focused on developing an awareness of staying healthy, identifying safe and unsafe behaviours and the importance of healthy eating. The Gr 2/3’s focused on the importance of friendships and support networks, strategies to manage peer pressure and bullying and the benefits of an active life-style. The Gr 4-6’s explored the decision making process, safe and appropriate use of communication technology and factors that influence decisions such as friends, family, media, and laws. All of the grades will have benefited greatly from the experience. Please try to take a moment to chat to your children about it when time permits.

MILO CRICKET CLINIC
Last week, the Scotsburn Gr 2/3 class participated in a Milo cricket clinic. The students had lots of fun learning and practising their cricket skills. We look forward to later in the term when our Gr P/1’s and Gr 4-6’s will also be involved.

WRITING IN GR 4-6
How excited the students were to complete their first Big Write. With candles, oil burner and special Big Write pencils, the students set about completing a narrative on the writing stimulus they had taken home the previous three nights. The students were all very excited to read each other’s stories, particularly Rory’s very scary story!

STORY OF BUNINYONG
Rehearsals for the upcoming Grade 4 Story of Buninyong are in full swing. Special thanks to Miranda Donald who is doing a brilliant job preparing our very enthusiastic Grade 4 students.

Quinn came third for girls in the under 11 age group which she had to get special consideration to enter as she isn’t yet 8. Congratulations Felix and Quinn on a great effort.

It will proudly display many historical images of Buninyong Primary School and surrounds.

We thank you for your anticipated support and look forward to reading the names of those who choose to be a permanent fixture at this important community building. Any enquiries please direct to Daniel O’Kelly on 5341 3560.

WALKING TO AND FROM SCHOOL
AN OPPORTUNITY TO PROVIDE CITY COUNCIL WITH FEEDBACK

Ballarat City Council has put up a survey on the ‘Have Your Say’ section of the Council website, which gives parents an opportunity to describe any road, footpath, speed zone, safety or other barriers which might prevent them encouraging their primary aged children to walk to school. There is only one main question with an option to attach a photo of the area concerned as well. This provides an opportunity to inform Council of barriers and helps prioritise issues of concern.

The survey will be online for 4 weeks until the 6th November.
