

PERSONAL PROPERTY POLICY

PURPOSE

To explain Buninyong Primary School's policy in relation to personal property and to ensure that special or valuable items of personal property are not brought to school.

SCOPE

This policy applies to all school activities, including camps and excursions.

POLICY

Buninyong Primary School understands that staff and/or students may sometimes like to bring items of personal property to school.

The Department of Education and Training does not have insurance for personal property of staff, students and visitors. Buninyong Primary School does not take responsibility for items of personal property that are lost, stolen or damaged at school or during school activities. Damage to personal property brought to school is the responsibility of the owner of that property.

Buninyong Primary School encourages staff and students not to bring items of value to school, or to obtain appropriate insurance for such items.

Students bring items of value to school at their own risk. If teachers are aware of students bringing items of value to school, they will be confiscated and stored securely in the teacher's office or main office until the end of the day, when the items may be collected by the student and/or parent.

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Annual reminders in our school newsletter
- Available publicly on our school's website (or insert other online parent/carer/student communication method)
- Hard copy available from school administration upon request
